## **\*\*IMPORTANT INFORMATION\*\***

### **FIRST STEP**

Captains must fill out and submit the Championship Registration form ([Click Here](#)) as soon as the team is declared the Local League Winner by their Area League Coordinator, but no later than 2 weeks prior to the event in order to secure their team's spot, otherwise, the team will not be included in the schedule. If you will not be able to field a full team, you must request a "waiver" under "Comments". Teams are spending significant amount of time to attend and participate at the event and can reasonably expect to play all positions in all scheduled matches. If your team is unable to participate, let your ALC and SLC know immediately in case that spot needs to be filled. Teams that drop out and fail to complete the event once it has started, can result in loss of future rights to play in the USTA/SCTA League program. Penalties may be given at the discretion of the Championship Director and Committee.

*(Refer to the USTA League Regulations 2.03K/2.03L –Team Defaults). (Exceptions may include: illness, injury, or personal emergency).*

## COMPETITION FORMAT & SCORING

All teams advancing past local league competition will participate at a District/Area Playoff to receive one of four spots at the Sectional Championship.

\*Local League Winners in BAKE; SB; VENT; SFV; LA and SGV areas will advance to the North District/Area Playoffs.

\*Local League Winners in BC; OC; IE; CV; SD and SDNC areas will advance to the South District/Area Playoffs.

The top two teams from the North District/Area Playoffs and the South District/Area Playoffs will advance to Sectional Championships.

*Exception: If there are only 4 areas competing at a NTRP level, the local league winners will advance directly to Sectionals.*

Since these Playoffs are considered separate events, players may participate in both if they are eligible to do so. Examples:

- 1) Jane is on two M18+ teams at the 7.0 and 8.0 levels advancing to North Area Playoffs. Jane **can** play on both teams if the schedule permits because they are at different levels.
- 2) Jane is on two M18+ teams at the 7.0 level advancing to North Area Playoffs. Jane **cannot** play on both teams and must choose a team.
- 3) Jane is on two M18+ teams at the 7.0 level. One is advancing to the North Area Playoffs and one is advancing to the South Area Playoffs. Jane **can** play on both if the schedule permits. These Playoffs are now considered two separate events.

The champion at Sectionals will advance to Nationals (Adult 18, 40, 55 & Over and MxD 18, 40 & Over)

If the winning team at any NTRP level of competition is unable to compete further, then the second place team will be asked to take their spot.

All matches played will be the best of two sets, with regular scoring and a set tiebreak (first to 7 by 2) at 6-all in each set. In the event of split sets, a deciding match tiebreak (first to 10 by 2) shall be played in lieu of a third set. The Coman Tiebreak Rotation (*change ends after the first point and every 4 points thereafter*) will be used for the Set and Match Tiebreak. Two minute rest between the 1<sup>st</sup> and 2<sup>nd</sup> set and between the 2<sup>nd</sup> set and a Match Tiebreak. Teams will participate in a round-robin format within their flight. The winner of each flight will be determined by team matches won. In the event of a tie, the tie will be broken by the first of the following procedures:

- a) Individual Matches: Winner of the most individual matches
- b) Head-to-Head: Winner of head-to-head match
- c) Sets: Loser of the fewest number of sets
- d) Games: Loser of the fewest number of games
- e) A method to be determined by the championship committee

If the championship or part of the championship is cancelled due to unplayable conditions, the championship may not be rescheduled. If the championship is not rescheduled, the Championship Director and/or Championship Committee will determine a champion and finalist by using one or a combination of the following based on completed matches at the championship: *Team(s) with the best record and/or highest percentage of wins.*

The Section League Coordinator or the Championship Committee shall have the right to modify the format and scoring or use alternate sites and court surfaces in order to complete play on schedule in the event that there are more or fewer teams than anticipated, defaults, unplayable conditions, or any other reason, which would necessitate a change in the announced format.

**\*Singles sticks will not be used\* \*Scoretenders will be used if available on-site\***

**COACHING:** Coaching is not permitted. (No cell phones or electronic devices allowed on court)

**WARM-UP & DEFAULT:** There will be a five minute warm-up period, including practice serves.

The USTA Point Penalty System shall be used:

- 5:00 minutes or less - Loss of Toss + 1 game
- 5:01 to 10 min. - Loss of Toss + 2 games
- 10:01 to 15 min. - Loss of Toss + 3 games

- Over 15 min. - Default

## **MEDICAL TIME-OUT**

**Medical time-out:** A medical time-out consists of evaluation time as determined by the referee plus a maximum of three minutes treatment time for a treatable medical condition. The maximum time allowed for evaluation and treatment is 15 minutes. One medical time-out for heat-related conditions & cramping in warm-up and one in match, even if the heat related condition or cramping occurs in different parts of the body. Full regulations on Medical time-out may be found in *Friends at Court, USTA Reg.*

**Medical condition:** Medical condition includes, but is not limited to, an injury, illness, and heat-related conditions or cramping, or any condition that the player believes requires diagnosis or treatment. Also includes aggravation of pre-existing condition.

**Non-treatable medical condition:** After a qualified medical person or trainer determines if the problem is untreatable, players may not receive a medical time-out or treatment any time during a match or a warm-up for the following medical conditions: a) Untreatable condition such as degenerative conditions not helped or eased by on-court treatment; b) General fatigue not accompanied by cramps, vomiting, dizziness, blisters, or other similar treatable conditions; c) Conditions requiring injection, intravenous infusion, or supplemental oxygen, except under those authorized by USTA Regulations.

- Ensuring that assigned courts are ready for play
- Enforcing the warm-up time and Point Penalty System
- Resolving scoring disputes
- Overruling line calls and calling foot faults when they are in direct observation of the courts
- Controlling spectators

Roving umpires may be positioned inside the fenced areas and will interfere with play as little as possible. Players should be encouraged to play tennis without the need for umpires. In the case of disputed calls and upon the request of the player, a roving umpire may be supplied to oversee the match, if available.

**MOVE UP/SPLIT UP RULE:** No more than 3 players (2 for Adult 2.5 and 5.0+) who were on the roster of any team or combination of teams, that advanced to, or qualified for, any National Championship the previous year may play together in any age group within the same Division and NTRP level or lower NTRP level as the National Championship team, if their NTRP rating allows. Move Up/Split Up requirements only apply to players who participated in three (3) or more matches (including one default) for that team during the championship year. The “at level minimum %” requirement will be “waived” for those teams that choose to “move-up” one NTRP team level.

**The Move-up/Split-up regulation will be “waived” for the SCTA Doubles & Trilevel leagues.**
