IMPORTANT INFORMATION

FIRST STEP

Captains must fill out and submit a Captain's Registration form for each event they advance to as soon as the team is declared the Winner, but no later than 2 weeks prior to the event in order to secure their team's spot, otherwise, the team may not be included in the schedule:

• [Click here for Area Playoffs](#)

• [Click here for Sectional Championship](#)

If you will not be able to field a full team, you must request a "waiver" under "Comments". Teams are spending significant amount of time to attend and participate at the event and can reasonably expect to play all positions in all scheduled matches. If your team is unable to participate, let your Area League Coordinator know immediately in case that spot needs to be filled. Teams that drop out and fail to complete the event once it has started, can result in loss of future rights to play in the USTA/SCTA League program. Penalties may be given at the discretion of the Championship Director and Committee.

(Refer to the USTA League Regulations 2.03K/2.03L -Team Defaults). (Exceptions may include: illness, injury, or personal emergency).

NEXT STEP

Review your championship match schedule and read the information provided.

[Click here](#)  to view your schedule in Tennislink.

Select: 1) League Type; 2) NTRP (Team Level); 3) Gender; 4) Level (Section Championship or District Championship for Area Playoffs); 5) Section (So. California). If selecting District Championship, click on So. California twice; 6) Click on "View Championship"; 7) Click on the championship link; 8) Click on "Match Summary".

The schedule as posted is subject to change for a cogent reason. Please check back frequently

CHECK IN: Captains need to pick up their match scorecard at the championship desk 30 minutes prior to the start of the match. All players need to be available and ready to play once the scorecard is turned in. Any membership or eligibility issues will be reviewed at that time. Inform the championship desk of any line defaults as soon as possible.

REPORTING SCORES: Immediately after an individual match is finished, **a player from each team reports and confirms** the score at the championship desk. Once all individual matches are completed, both captains must verify the scores and sign the match scorecard. Any score discrepancies will be addressed at that time. If only one captain signed the scorecard and there is a discrepancy, those results may be FINAL.

FINAL STEP

If available, the following will be given to the winning team **at each appropriate level of competition:**

- Sectional Championship information after Area Playoffs.
- National Championship information **after Sectional Championships** for the USTA Adult and MxD Divisions. Follow the steps to register on-line ASAP in order to secure your spot.
- Invitational information **after Sectional Championships** for the SCTA Trilevel and Adult 65 & Over Divisions.
- Team Travel Assistance form **for all events advancing past Sectional play.**

Tournament pictures will be posted on the USTA Southern California Facebook page after the Championship. Be sure to check them out and tag your teammates! <https://www.facebook.com/USTASouthernCalifornia>
