[Email all team players](#)

By clicking on the "Email all team players" link, you will be able to send a blast email to all of your teammates; to send an email to an individual player only, click on the player's name. The email feature pulls up your default email program and creates a blank email, with the address of each player added to the "To" field. You can then compose an email to your entire team or to an individual teammate.

SETTING AVAILABILITY

Players have the option to set their availability for each team for which they are registered. In the "Availability" area, they can choose a team in the drop-down menu and then select "Go" to access the "Availability" page.

The screenshot shows a web interface titled "Availability". Below the title, there is a prompt: "Choose a team to see all match lineups and update your availability." Below this prompt is a dropdown menu with the text "OC - 4.0 NF The Wild Cards - Gochuico Sun 12" and a "Go" button to its right. The "Go" button is circled in red.

All matches are displayed, listing the date, time and location. The displayed information reflects what has been scheduled in the League tree. Players can edit their availability by clicking the "Edit Availability" button, which takes players to the screen shown below.

The screenshot shows a web interface titled "My Availability". Below the title, there is a prompt: "Phone: Email:theisend@yahoo.com.xx". Below this prompt, there is a button labeled "Edit Availability" and a button labeled "Back". The "Edit Availability" button is circled in red. Below the buttons is a table titled "Match Lineups".
